

# MAINTENANCE IS KEY TO REDUCED REPAIR COSTS

The Care Shop Inc. offers maintenance and repairs for a wide range of vehicles including foreign and domestic cars, vans, SUV's, and light to medium duty trucks.

Our master mechanics and service staff offer over 36 years of experience in the automotive and truck fleet maintenance industry, and we can help you with proper vehicle maintenance schedules for both your personal and fleet vehicles to ensure high performance, reduced down time, and keeping costly repairs to a minimum.
